

GOLD DONOR PROGRAM

Yes, we want your money! Well who doesn't!

So why should you give to the Mumbulla Foundation?

For a start, our slogan *GIVE WHERE YOU LIVE* explains our ethos. We raise funds to give back to the local community. Our grants range from \$500 up to \$7,500. They go to a wide variety of organisations and individuals who work to make the Bega Valley and Sapphire Coast a place of community – not just a beautiful place to live.

We're asking you for \$1000 a year in 2016, 2017 and 2018. Of course your gold donation is tax deductible. So if you donate in June you can claim in July. Check out our bonafide registration at www.acnc.gov.au/ (Australian Charities and Not-for-Profits Commission) website.

Our 100% guarantee

We guarantee that 100 % of your donation will go directly to fund Mumbulla Foundation grants. We have minimal administrative overheads because our board of professional people manage the Foundation on a voluntary basis. So your money is used exclusively for grants and tertiary scholarships for students attending the Bega campus of the University of Wollongong and for the annual school book awards. You can be assured your money is having direct community benefit.

What's more, for every dollar the Foundation raises, our major partner, the Bega Valley Shire Council will match it dollar for dollar up to \$25,000. This means your donation doubles in value.

Each year funding applications received from local groups exceed the amount the Foundation is able to provide. On average we support 35 projects a year covering all kinds of activities such as suicide prevention, women's and men's groups, aged care, art and cultural events, and social services that help the homeless or people at risk of homelessness.

Thank you Gold Donor

To say thank you and acknowledge how much we appreciate your support, Gold Donors will receive two complimentary tickets to the Foundation's annual Gala Dinner and our occasional guest speaker dinners. Plus you'll be invited to attend the presentation ceremony of the grants in December each year. This way you get to see the people and the organisations who will put your donation to excellent use.

Your gold donation will help us to respond more effectively to changing community needs and provide more attractive options for channelling your charitable interests. Your support will also assist us to sustain the annual grants program at the current level of \$75,000, which we are endeavouring to grow.
